If you want more than one computer connected to DSL, you will need to purchase a wireless router.

Wireless Router \$75.00

Wireless Router + Installation \$100.00

Network Card \$25.00
Wireless Network Card \$50.00

A network card is required for DSL. Most computers have a network card. If needed, one can be installed.

In general, to download is to receive a file
and to upload is to send a file.

Included in your monthly DSL charge is 10 hours of dial-up time per month. If you exceed the 10 hours for the month, you will receive a bill from bright.net for \$19.95.
